Greetings From Cleveland!

On behalf of the Division of Education, welcome to the 2020 Ministerial Internship Virtual Commencement Celebration! This service is all about celebration—celebration of you, the graduate, and your devotion to personal ministerial development, completion of the Ministerial Internship Program (MIP), and moving forward in the realization of your calling as a credentialed minister in the Church of God. We congratulate your accomplishment and celebrate your commissioning for future ministry!

For more than 40 years, MIP has been a major source of ministerial training to support the licensure process and preparation for ordination. Literally thousands of individuals have completed MIP, and we now celebrate the commencement of internship for each candidate.

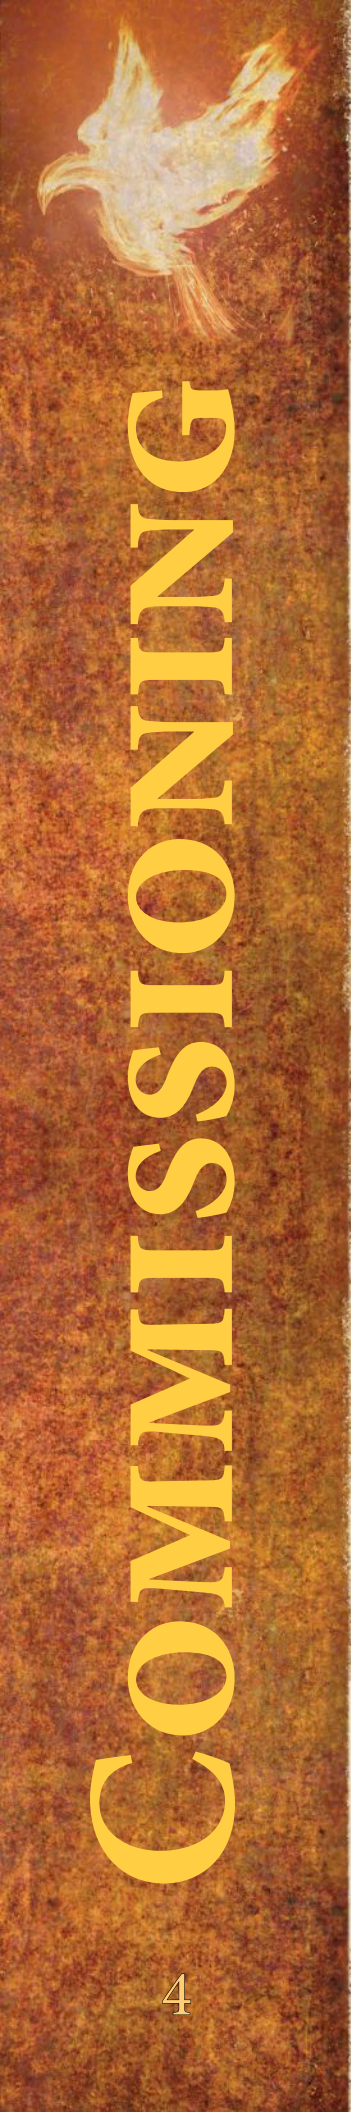

We would like to thank each coordinator, board member, instructor, supervising pastor, and staff in every state and/or region who has carried the responsibility for implementation of ministerial development in the Church of God. Words cannot adequately express appreciation for your dedication to build the next generation of ministry leaders. In addition, we would like to show special appreciation to all administrative bishops for their personal support, supervision, and participation in strengthening the calling, capacity, and gifts of God-called men and women.

May this Commencement Celebration be a defining moment for engaging the FINISH Commitment. It is our desire that all candidates will be enriched and honored for their faithful completion of MIP and experience the presence of the Holy Spirit in their walk of faith!

Laborers together,

Youth and Discipleship Ministry
is strong and viable because of
excellent leaders 
who faithfully serve.

Their desire to deliver excellent training, relevant ministry, and healthy relationships does not go unnoticed. Youth and Discipleship is proud of our team and the noteworthy influence they bring to ministry around the USA and around the world!

For almost 90 years,
Church of God Youth
and Discipleship has
supported the local
church in discipling
children and teenagers.
Youth and Discipleship
has always prioritized
training for church
leaders and discipleship
to students and
children. It's not very
complicated, the two
priorities are clearly in
the name . . . "Youth
and Discipleship."
